CLASS -II

SUMMER

HOLIDAYS HOME WORK

Dear Parent

**“Together we may give our children the roots
to grow and the wings to fly “**

It's our accountability to nurture our divine blossoming buds with care, serenity, tenderness, an endearment. They look forward to us for every petty yet significant issue. It is very crucial to endow them with your precious time and million-dollar smile which they yearn to witness.

So, in this summer vacation I on behalf of my children request you all to give ample time to them, enjoy every moment with them from soothing morning walks to night lullabies. I am sure while listening to their inner voice, somewhere we are creating an insightful, affectionate and a child of our dreams.
