Dated : 25th Oct'16

Dear Parent

No one can hit the target with the eyes closed. Success comes only when one is determined to achieve it and always keeps burning in oneself the desire to triumph. Achievements are the proofs and the results of one's loyalties to one's values. The height of one's accomplishments equals to the depth of one's convictions and their realization gives the greatest joy. Enthusiasm makes one's hope rise to the stars. Patience, persistence and perspiration make an unbeatable combination for success and sincere efforts amalgamated with these never go unrewarded. Our students have firm belief in their capabilities. They have a clear target and always keep their eyes open.
