CIRCULAR

Dated:28th December 2023

"Energy is the essence of life. Every day you decide how you are going to use it by knowing what you want and what it takes to reach that goal, and by maintaining focus."

Dear Parent

DAVPS Ballabgarh provides ample opportunities to each child to develop innate power or intellectual capacity to think rationally and lead his life independently with confidence. Our prime focus is the holistic development of every child while fostering vedic values with global vision. We leave no stone unturned to ensure that our children reach the next milestone with confidence, self esteem and poise.

In this endeavour, the cooperation of parents has been our consistent support.

With qualitative education, the school ensures that the students are well groomed in curricular as well as co-curricular activities.

Here is a glimpse of our students' recent **magnificent achievements at National Level** in Sports & Inter School Competitions.
