According to the government instruction dated 12-4-2020, the monthly school fee was raised (excluding yearly charges and transport charges) and the fee link was sent to you. As per the government fee guideline dated 23-4-2020 kindly note the following :-

- As per latest fee advisory by the Government, you have to pay only monthly Tuition Fee during the general lockdown period .
- The other yearly and monthly charges have been deferred i.e. delayed for now. These charges will be levied later on.
