The beat of our knowledge says that DAVCMC, which is an immeasurable prodigious tree, profounding its ascendancy, dilating branches, providing shade of education to thousands, enlightening and igniting many minds, originated from the seed of Arya Samaj, which is a monotheistic Indian Hindu Reform Movement, founded by SWAMI DAYANAND SARASWATI, one of the "Makers of Modern India", with a desire to dissipate 'Agayana' with light of 'Gyana' with a motto of "lead us from darkness into light". This seed was sown on the very date of 1st June, 1886 at Lahore with MAHATMA HANSRAJ's self-abnegation. He had unflinching faith in the Vedic Dharma and lived a life, serving DAV institutions for 25 years being the pioneer Principal of DAV Institutions. The tree of DAV is inducing sweet fruits in the form of human resources in the various meadows. With this in mind, we can cheerfully wish our institute A VERY HAPPY BIRTHDAY with a present of gratitude and a promise of becoming one of the top Echelon Organizations in the country.

Padma Shri  
Dr. Punam Suri  
School Chairman, President DAVCMC

Sh. Punam Suri, the President of DAVCMC is a visionary leader devoted to the pursuit of excellence. He has now dedicated his life to nurture the enlightened system of education, founded in 1885. With great foresight, keen intellect and impressive administrative acumen, Sh. Punam Suri ji is taking the DAV institution to great heights and envisions DAV to be the finest educational organization in the world.

Strong roots produce beautiful leaves.

# Celebrations

# SUMMER TREASURE TROVE

## World Environment Day

Our Green crusaders of Primary wing made a special documentary - 'Be An Earthling' to commemorate the World Environment Day on June 5. They strongly believe in inculcating the spirit of environmental conservation and becoming responsible and eco-conscious adults.

## World Food Safety Day

Healthy food is good!  
On the occasion of World Food Safety Day on June 7, the bench markers of Primary wing made posters to spread awareness about the same.

## World Bicycle Day

World Bicycle Day on June 03 is celebrated to recognize the uniqueness, longevity and versatility of the bicycle, which has been in use for two centuries. The young enthusiasts allured the masses to the simple, affordable, reliable and sustainable means of transportation- 'Bicycle'.

## World Ocean Day

World Ocean Day is celebrated on June 8 to embark the role of the oceans in our everyday life and inspiring action to protect the ocean and sustainably use marine resources. The little champs of Primary Wing celebrated this day to spread awareness to conserve nature.

Confinement within the four walls has made life suffocating, stressful, and depressing for the young learners who never met their friends on the playground, music room, nor in the dance room for more than a year. To break the monotony, SUMMER CAMP was indeed an enjoyable and enriching experience for these students, that gave wings to their imagination, indulging them to think 'Out of the Box' to give shape to their creativity. Parents too deserve a big 'THANK YOU' for supporting the little ones to take part in various activities

**SPARKS OF TODAY, STARS OF TOMORROW.**

# REJUVENATING SUMMER

"Magic is all around, you just have to believe." The tiny tots were spell bound with the magic tricks (Fun with Science) presented by the teachers. The excitement was limitless when the little Charmers dressed up as magicians, waved their Magic Wands, Spoke the Magic Spell and performed the Magic Tricks taught by the teachers.

The students enjoyed making Yummilicious Pinwheel Sandwich, Coconut Ladoos and Bhelpuri with refreshing Lemonade and learnt about Table Etiquettes.

Students had lots of Fun & Laughter engrossed in exciting Fun Games involving throwing the ring, Balancing the book and bottle, Listen & Draw Activity and Wonderful Mind Scratching Session on Memory Games. The ebullient hearts were visibly excited to participate in the unending fun and adventurous games. Art & Craft Activities and Story Telling Sessions were enriching experiences.

"Fitness is like Music, the rhythm of the body, the melody of the mind and the harmony of the soul creates the symphony of the life". The students were involved in various energetic sessions of Yoga, Aerobics and Dance in which our fitness enthusiasts participated with undiminishing vigour and energy.

The Dudes & Dolls walked the ramp with great pride and charisma. They rocked the show and endeared everyone with their adorable looks and colourful dresses.

With a focus to enhance the STEM learning among the kids, the summer camp was conceptualized in a way in which the children had an astounding experience. The activity days were really blithesome for the students as they were engrossed in hand-on-activities that were thrilling, invigorating, stimulating and productive. The camp concluded with Virtual trip to Disneyland... 'A Dream Come True !!', which made the children experience the real-life adventure of the amusing carnival and rides.

# MUSING MINDS

## CREATIVE ART

"Art washes away from the soul the dust of everyday life". To fumigate the creativity among children, DAV Ballabgarh included creative arts like Stone Painting, Pot Painting, Knife and Spatula Art, Coffee Arts, Pulse Arts and Clay Arts in the Summer Camp so that every little artist may dip their brush in their own soul and paints his own nature into his pictures.

## PERSONALITY DEVELOPMENT

"The Development of language is part of the development of the personality." Keeping this in mind DAV Ballabgarh took in Personality Development Programme as part of the Summer Camp activities like Telephone Etiquettes, Social Etiquette etc. Response was so overwhelming which proved no pandemic can hamper or stop the learning process.

## FUN WITH MATHS

"The only way to learn Mathematics is to do Mathematics" which is a game, played according to certain simple rules. DAV Ballabgarh created a unique opportunity of learning new maths activities. During the Summer Camp, students were guided on different topics like Folder Making with concept of Formulas, Areas, 2D & 3D figures etc which were aimed at enhancing their future mathematical and academical pursuits.

## MUSIC/DANCE

"Music and Rhythm find their way into the secret places of the soul". Keeping this in mind DAV Ballabgarh organized Summer Camp on Music and dance where instruction on instrument like Piano, Casio and Tabla along with the training on Classical and Folk Dance also provided. The Magic of Dance and Music captivated both heart and minds of the young learners.

## YOGA/SPORTS

The nature of Yoga and Sports is to shine the light of awareness into the darkest corner of the body. To inculcate the habit of Yoga, DAV BLB started their Summer Camp 2021 with Yoga and sports where the school has included General Exercises, Yoga Postures, Online Chest Practise and Guidance on having Balanced Diet.

## ENGLISH DIAS

Providing a happy place for the students to discover and hone their talent, the 10 days summer camp gave students a multitude of opportunities. The Summer English Classes 2021 was an overwhelming success and has enriched the students substantially.

## IMUN

DAV Ballabgarh is elated to share that two of our students Simran Sharma of class XII C and Hardik Dang of class XI A took the school credit a step ahead by participating in International Model United Nations (IMUN) on 19th and 20th June 2021. Simran Sharma as a participating delegate of country Gabon has been awarded with 'Verbal Commendation' for her outstanding presentation in the session. We are proud of their achievement.

Action is the foundational key to all success....

### INTERNATIONAL YOGA DAY

The Bhagavad Gita postulates, "Yoga is the journey of the self, to the self." On 21st June, 2021, our school was all set to explore its inner strengths with International Yoga Day celebration taking place in the virtual platform for the teachers, staffs, students and parents under the guidance of Shri J.P. Shastri Ji. As the celebration continued, each one present was engaged in various types of pranayams and asanas. The excitement of the students was notable. Everyone was encouraged to practise yoga to remain fit and improve concentration. Indeed Yoga Day was a memorable event and huge success.

## ATELIERS

AI and automation are the future of our times. Now merely smart isn't enough for devices. It is about time that we automate things and responsibilities. This is where AI proves its worth. In order to equip our students with the skills of AI, a power packed five days workshop was conducted by DAV Ballabgarh in collaboration with Novation Hub on STEM learning where students learnt about the power of innovation using 3D printing, Robotics, block coding, App development and Artificial Intelligence. Overall, it was a fun way method of learning for the tinkering minds.

## STEM LEARNING

## ANDROID APP DEVELOPMENT

Avishkaar, a leading EdTech platform has conducted a free 2 days workshop on Android App Development in collaboration with DAV Ballabgarh. During the workshop- Students learnt to code and build their first basic app. They enjoyed it with full interest and are willing to grab similar opportunities.

अभिवादनशीलस्य नित्यं वृद्धोपसेविनः। चत्वारि तस्य वर्धन्ते आयुर्विद्या यशोबलं।।

बड़े-बुजुर्गों का अभिवादन अर्थात् नमस्कार करने वाले और बुजुर्गों की सेवा करने वालों की चार चीजें हमेशा बढ़ती हैं। ये चार चीजें हैं: आयु, विद्या, यश और बल। इसी वजह से हमेशा वृद्ध और स्वयं से बड़े लोगों की सेवा व सम्मान करना चाहिए।

Can you say it? 😊
