SESSION:2021-2022    CLASS - III

The most awaited time of the year is here again- “Summer Break”.  
Summer breaks are the most loved and cherished time in a student’s school life.  
Not only does it offer time to relax, it also gives us time to hone our skills.

Keeping in mind the current scenario where we  
all are confined to our homes, summer camps are looked up to.

Summer camps are known for their fun filled activities that help them  
to develop a variety of skills like mental stimulation, social interactions and overall  
development.

Let us all be a part of the summer camp to make it super fun and super entertaining.  
The time table has been provided for the smooth conduct of the same.  
Here are the lists of activities in which your ward can unleash his/her creativity.
